REVIEWING THE LAST MONTH

Last month was:

What went smoothly?

What surprised you?

What did you learn?

What to-do, mile-marker, goal do you need to adjust (or let go of) based on what just happened?

What goal (big or small) did you reach this month?

What was your gross income for this month?

How does that compare to your goal?

Why the difference?

What might you try differently next month?

NEXT MONTH PLOTTING

Next month is:

What expenses are coming up this month?

How much I need to make: How much I want to make:

How might that work:

What projects need your attention this month?

What are you enthusiastic about this month?

How do you want to feel as you move towards your goals this month?

What to-dos and mile markers from your map fit in this month? How will you move closer to your map's destination?
